****SENT VIA FACSIMILE AND U.S. MAIL****

Dear Mr. Garvey:

**PUBLIC COMMENT GROUNDWATER OPERABLE UNIT CHEMICAL PLANT
LETTER DATED JULY 12, 2000**

The Department of Energy will include the Board of Greenway Network, Inc. resolution and the written comments of the subject letter in the public comments for the Proposed Plan for the Groundwater Operable Unit selected remedy. The DOE has extended the public comment period for an additional 30-day period to end August 15, 2000.

We are available to attend a board session to present an overview of the Proposed Plan and answer questions at your convenience. Additionally, the Weldon Spring Site Remedial Action Project extends an open invitation to any and all concerned citizens to come to the site for a tour and discussion of any issues.

Thank you for your interest in the project and the successful completion of the activities at the Weldon Spring Site.
